EZ Kayak Launch

nature is waiting.
Nature is a place of wonder. A place to reflect, recharge, and plan what’s next. There’s nothing except you, your thoughts, and the truth yet to be discovered.

Out here, anything is possible. There are no limits on your imagination or the places you can go.

Getting here should be just as clear and effortless. At EZ Dock, we’re on a mission to make it that way. Our EZ Kayak Launch removes the barriers that stand between you and the open water. Its superior stability lets you push off and dock with confidence, security and ease – giving you more time to be exactly where you want to be.
Become one with nature in moments. Just throw on your vest and go.
Paddle notches make launching and docking a breeze, keeping you dry as you glide into and out of the water.

Visit the EZ Dock YouTube channel to see the EZ Kayak Launch in action.

Whether you’re a long time kayaker or just getting started, the unmatched stability of the EZ Kayak Launch makes getting into and out of the water easy, safe and dry.
EZ Kayak Launch is the quickest, easiest way to reconnect with the nature you love. Whether you have the whole day ahead of you or just a few minutes to spare, our launch provides security and stability to both seasoned veterans and novice kayakers, getting you into the water faster and more often than ever before.

Our Base Model offers stable support and notched paddle ports when entering and exiting the water. Available in two colors, the efficient size gets you to the water fast. It’s compatible with most kayaks and canoes.
